BIJNI DOOARS TEA COMPANY LIMITED

Report of the Board of Directors

Your Directors present the Annual Report together with the Audited Accounts for the year ended 31st March, 2021.

- 1. PLANTATION :** The Uprooting and replanting Policy of your Company continued to remain in focus during the year. Pests and disease were better controlled, strictly adhering to the approved chemicals listed under the Tea Board Plant Protection Code. Usage of Compost and Vermi Compost generated in-house for nutrition to the plants has helped in two ways – to reduce usage of inorganic nitrogen and to enrich the soil. The total area under Tea cultivation at Chikonmati Tea Estate now stands at 195.49 hectares and that of Kokrajhar Tea Estate at 467.63 hectares.

Your Kokrajhar Tea Estate is certified under “Trustea” and “Rainforest Alliance” and Chikonmati Tea Estate is “Trustea” certified.

2. OPERATING RESULTS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF *BIJNI DOOARS TEA COMPANY LIMITED*

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Bijni Dooars Tea Company Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Valuation of biological assets Biological assets of the Company include unharvested green tea leaves which are measured at fair value. For unharvested green leaves, since there is no active market for own leaves, significant estimates are used by management in determining the valuation of biological assets consumed in manufacture of black tea. The principal assumptions and estimates in the determination of the fair value include assumptions about the yields and cost incurred in plucking of green leaf remaining unharvested as on 31st March 2021.</p>	<p>Principal audit procedures performed: Our audit approach was a combination of test of internal controls and substantive procedures including:</p> <ul style="list-style-type: none"> • Obtaining an understanding of the fair value measurement methodologies used and assessing the reasonableness and consistency of the used in the valuation. • Evaluating the design and implementation of Company's controls around the valuation of biological assets. • Assessing the plucking yields to analyse the stage of transformation considered for the fair valuation of biological assets. • Testing the consistency of application of the fair value approaches and models over the years.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Report of the Directors and Management Discussion & Analysis Report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
 - d) Subject to non compliance with AS-12 for Accounting of Grants to the extent that grants are accounted on receipt basis, in our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 30(a).
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Referred to in paragraph 2(f) under “Report on Other Legal and Regulatory Requirements” section of our report of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of Bijni Dooars Tea Company Limited (“the Company”) as of 31st March, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting with reference to these Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to these Ind AS financial statements.

Meaning of Internal Financial Controls over Financial Reporting with reference to these Ind AS financial statements

A Company’s internal financial control over financial reporting with reference to these Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting with reference to these Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to these Ind AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to

error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these Ind AS financial statements and such internal financial controls over financial reporting with reference to these Ind AS financial statements were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

BIJNI DOOARS TEA COMPANY LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

Note 1

A. Corporate Information

Bijni Dooars Tea Company Limited (“the Company”) is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act. Its shares are listed on Calcutta Stock Exchange Limited. The Company is engaged in manufacture of tea.

The registered office of the Company is located at “Shantiniketan Building”, 8, Camac Street, Kolkata – 700 017, West Bengal, India.

B. Basis of Preparation

The financial statements of the Company for the year ended 31 March, 2021 have been prepared in accordance with accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The financial statements have been prepared on historical cost basis, except for certain assets and liabilities which have been measured at fair value.

- Certain financial assets and liabilities which are measured at fair value/amortised cost.
- Certain biological assets (including unplucked green leaves) which are measured at fair value.

C. Summary of Significant Accounting Policies

i. Current and Non-Current classification

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. Deferred Tax assets and liabilities are classified as non-current only.

ii. Property, Plant and Equipment

Property Plant and Equipment are carried at cost of acquisition, less accumulated depreciation and accumulated impairment, if any. Cost comprises purchase price and directly attributable cost of bringing the asset to its working condition for the intended use.

Bearer Plants which is used in the production or supply of agriculture produce and expected to bear produce for more than a period of twelve months are capitalized as a part of Property, Plant & Equipment. The cost of bearer Plant includes all cost incurred till the plants are ready for commercial harvest.

Depreciation on Property, Plant and Equipment assets other than land is provided on the Written Down Value Method to allocate their cost, net of their residual values on the basis of useful lives prescribed in the Schedule II of the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

iii. Capital Work in Progress

Capital Work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

iv. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are

BIJNI DOOARS TEA COMPANY LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

capitalized as part of the cost until the assets is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. Other borrowing costs are recognized as an expense in the period in which they are incurred.

v. Inventories

Stock of Stores & Spares is valued at cost or net realizable value whichever is lower. Stock of Tea is valued at sale price for stock sold during subsequent period and at estimated market price for unsold stock.

vi. Biological Assets

Tea leaves growing on tea bushes are measured at fair value less cost to sell with changes in fair value recognized in Statement of Profit and Loss.

vii. Cash and Cash Equivalents

Cash and Cash Equivalent comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

viii. Trade Receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any.

ix. Impairment of non-financial assets

Impairment of Assets are assessed at each Balance Sheet date and if any indicators of impairment exists the same is assessed and provided for in accordance with the Indian Accounting Standard 36. A previously recognized impairment loss is periodically assessed.

x. Government Grants

Government Grants are recognized in accounts on cash basis. Revenue grants are recognized in the Statement of Profit & Loss. Capital grants relating to specific Tangible/Intangible Assets are reduced from the gross value of the respective Tangible/Intangible Assets. Other capital grants in the nature of promoters contribution are credited to Capital Reserve.

xi. Revenue recognition

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have passed to the buyer, on delivery of the goods or as per buyer's instruction.

Sale of services

Revenue from services rendered is recognized as the services are rendered and is booked based on agreements/arrangements with the concerned parties.

Interest Income

Interest Income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income from debt instruments is recognized using the effective interest rate method.

Dividends

Dividend income is recognized in the statement of profit and loss only when the right to receive payment is established, which is generally when shareholders approve the dividend.

BIJNI DOOARS TEA COMPANY LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

xii. Employee Benefits

Short term Employees Benefits:

a) Short Term Employees Benefits

The undiscounted amount of short term employee benefit expected to be paid in exchange for the services rendered by employee is recognized during the period when the employee render the service. This benefit includes salary, wages, short term compensatory absences and bonus.

b) Long Term Employee Benefits

i) Defined Contribution Scheme : This benefit includes contribution to Provident Fund Schemes and Employees Deposit Link Insurance Scheme. The contribution is recognized during the period in which the employee renders service.

ii) Defined Benefit Scheme : For defined benefit scheme the cost of providing benefit is determined using the projected unit credit method with actuarial valuation being carried out at each balance sheet date. The retirement benefit obligation recognized in the Balance Sheet represents value of defined benefit obligations as reduced by the fair value of planned assets. Actuarial gains and losses are recognized in full during the year in which they occur.

xiii. Taxation

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is provided using the balance sheet method on deductible temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current and Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

xiv. Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

xv. Provisions and Contingencies

A provision is recognized when an enterprise has a present obligation (legal or constructive) as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured of the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The expense relating to a provision is presented in the statement of profit and loss.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

xvi. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent Measurement

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- * The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and.
- * Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The EIR amortization is included in finance income in the Statement of Profit and Loss.

Equity Investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at Fair Value Through Profit and Loss (FVTPL). For all other equity instruments, the Company makes an irrevocable election to present in Other Comprehensive Income (OCI) subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial asset) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- * The rights to receive cash flows from the asset have expired, or
- * The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the flowing financial assets and credit risk exposure:

- * Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.
- * Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18 (referred to as 'contractual revenue receivables' in these financial statements).

BIJNI DOOARS TEA COMPANY LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables or contract revenue receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original Effective Interest Rate (EIR). Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the Statement of Profit and Loss. This amount is reflected under the head 'other expenses' (or 'other income') in the Statement of Profit and Loss.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

xvii. Fair Value measurement

The Company measures financial instruments, such as, derivatives at fair value of each balance sheet date.

xviii. Standard issued but not yet effective

There are no standards issued but not yet effective up to the date of issuance of the Company's financial statements.
